25X1 Attention: [redacted] Contracting Officer

Subject: REQUEST FOR EXTENSION OF TIME

25X1 Reference: [redacted]

Gentlemen:

This is to confirm discussions which we have had with your technical representative concerning a time extension for this task. Due to the lack of timely delivery of necessary photography, we are requesting a time extension of one month in this program. We have been cutting, and will cut a little further, our rate of expenditure so that we will have sufficient funds to give a proper look at the pictures which your technical representative is furnishing.

This program is currently on schedule and is being delayed now as a result of a failure beyond our control. We therefore request that the completion date of Task 99 be extended from 11 August 1965 to 11 September 1965.

Sincerely,

25X1

SECURITY

All work under this Task Order shall be UNCLASSIFIED.

In the event any question may arise during the preliminary phases of the work and/or research concerning the security of the technical aspects i.e., security classification of various component parts and/or related reports connected thereto, the Technical Representative of the Contracting Officer is authorized to furnish security guidance during this interim period.

This is only to be considered an authorized expedient and efficient means of resolving technical security problems by the Technical Representative of the Contracting Officer on the spot and is not to be construed as a waiver of the Contractor's responsibility to request formal written notification and/or authorization from the Contracting Officer prior to effecting any changes in over-all security classification of the contract, or item and/or reports being developed thereunder or the Contractor's Security Requirements, as agreed.

The association of the sponsor with the work being produced under this Task Order is classified CONFIDENTIAL. This classified information and any other classified information which may be specified in the first paragraph of this Security Article, will be divulged only on a need-to-know basis and then only to those who have been authorized in writing by this Government component to have access to classified information.

Correspondence originated by the Contractor and/or other data to be submitted hereunder, the contents of which contain classified information or refer to the number of this Task Order and/or contract or the name and/or address of the Contracting Officer, shall be stamped by you with the classification of CONFIDENTIAL.

REPORTS

A Final Report, manuals, drawings and similar data as may be required under this Task Order, shall be submitted at such time and in such format as may be specified by the Technical Representative of the Contracting Officer or as may be otherwise set forth in the Scope of Work Article of this Schedule. In addition, Technical Progress Reports should be prepared in the manner normally practiced by you and submitted directly to the Contracting Officer's Project Engineer in accordance with the engineer's instructions. A copy of the Progress Report should be mailed directly to the Contracting Officer.

SHIPPING INSTRUCTIONS:

Any items to be delivered under this Task Order shall be delivered FOB Destination to whatever location within the continental limits of the United States as may be later stipulated by the Contracting Officer.

All deliverable items, if any, shall be packaged and crated if applicable, in accordance with the Contractor's best domestic commercial practice or as further amplified by auxiliary specific instructions of the Contracting Officer.

In the event any material or items which may be concerned hereunder are, or may later become SECRET or CONFIDENTIAL and when the size or weight of such material or items classified SECRET or CONFIDENTIAL makes shipment by registered mail impracticable, commercial shipment should be made only by the Railway Express Agency "Protective Signature Service." The material must be securely crated and banded and prior to shipment the contractor shall advise the Contracting Officer of (1) the date the material will be shipped, (2) the approximate date of arrival, and (3) the approximate weight, size, and number of cartons. Bulk shipments of TOP SECRET material shall be made only in accordance with the specific instructions which will be furnished the Contractor by the Contracting Officer upon notification that the material is ready for shipment.

INSPECTION:

Inspection during the course of the Task Order as well as the final inspection and acceptance of deliverable products, if any, hereunder shall be made by the technical representative of the Contracting Officer. Final acceptance of items deliverable hereunder, if any, shall be made after proper inspection at the FOB point designated in accordance with the stipulations of "Shipping Instructions" above.
